Certificate

I hereby certify that Mr. Motek Leeuwarden worked as a guitar teacher over the past eight semesters on an average of 8 hours per week at the University of Oldenburg.

This he carried out with great success, not just in relation to his popularity amongst the students but also his ability to teach music on diverse levels for students of lectureship or masters students with various prior knowledge and diverse educational objectives. Examinees which derived from his tutoring bear over average abilities.

We regret the departure of Mr. Leeuwarden and can highly recommend him as a teacher for comparable assignments.
